INSTRUCTIONS

It is highly recommended that the applicant consult with HCA staff prior to submitting a Permit application for proposed development. Pre-consultation ensures that all required information accompanies the subject application. In the absence of pre-consultation with HCA staff, the following information must accompany a **completed** application form:

- Payment of Required Application Fee
- Location Map showing nearest roads/intersections
- Legal Survey of Property (where available)
- Statement of purpose of the project (including proposed start and finish dates)
- 2 sets of folded plan(s)/drawing(s) for initial review (4 copies of final plans) illustrating existing site conditions and proposed development/site alteration including:
 - Date, author and scale
 - Property boundaries
 - Location of natural hazard/heritage features
 - Dimensions and locations of all existing and proposed structures or alterations to structures (including distances to property boundaries and natural features)
 - This includes but is not limited to septic systems, parking lots, exterior site uses and facilities
 - Drainage details before and after development. Should grade changes be required to implement the proposal, dimensions and locations of existing and proposed grades including cross-sections details must be submitted, as well as the signature and stamp of a qualified Professional Engineer. This plan should include type and volume of fill required. This may include proposed landscaping works.
 - Extent of disturbed area, staging of equipment and fill stockpiling locations
 - Location of tree protection fencing (if applicable)
 - Location of erosion and sediment control measures
 - House floor and elevation plans (if applicable). Must include stamp or BCIN.

**NOTE: ALL PLANS LARGER THAN 11 X 17 MUST BE FOLDED.
ROLLED DRAWINGS WILL NOT BE ACCEPTED**

The personal information on this form is collected under the authority of the Conservation Authorities Act, R.S.O. 1990, c27 as amended. The personal information will be used for the purposes of administering the Development, Interference with Wetlands, and Alterations to Shorelines and Watercourses Regulation 161/06. Specifically the information will be used to:

- Evaluate the development proposal for conformity with HCA and Provincial policies
- Liaise with other regulatory agencies having jurisdiction
- Report to the HCA Board of Directors for final permit endorsement

This information will become part of the public record and is available to the general public. Questions about the collection of personal information should be directed to HCA Watershed Officers Darren Kenny (ext 131) or Elizabeth Berestecki (ext 162) or by mail at 838 Mineral Springs Road PO 81067, Ancaster, ON, L9G 4X1.

I/We _____ declare that the information submitted

PERMIT APPLICATION INFORMATION

As required under the Hamilton Conservation Authority Development, Interference with Wetlands, and Alterations to Shorelines and Watercourses Regulation 161/06 under Ontario Regulation 97/04

Upon receipt of an application, HCA staff will provide notification in writing within 21 days stating whether or not the application is complete. If the application is deemed incomplete, a list of any outstanding information will be provided.

Once the application is deemed complete, HCA staff will complete a detailed review of the application within thirty (30) days for minor applications and ninety (90) days for major applications.

Your submitted application will be assessed to determine whether the proposed works will affect the control of flooding, erosion, pollution or the conservation of land in accordance with the Authority's policies and programs.

If the application conforms to Authority policy and programs, a permit will be issued by Hamilton Conservation Authority staff and may be subject to the fulfillment of specific conditions. Permits issued by the Hamilton Conservation Authority are non-transferable and does not constitute an exemption from obtaining any other agency approvals (i.e. Municipal Offices, Ministry of Natural Resources, Niagara Escarpment Commission, etc). Permits are valid for a two (2) year period.

Note: A compliance inspection may be completed by Hamilton Conservation Authority staff up to one year after the expiry of the permit.

If the application does not conform to Authority policy and staff are recommending refusal of the application, the Authority Board of Directors will convene as a Hearing Board to hear the arguments for and against the application. You will be notified as to a hearing date to which you or your agent should attend. Upon hearing the presentations made by Authority staff and the applicant/agent, the Authority Board of Directors will decide to approve or refuse the application.

If the application is refused by the Authority Board of Directors, the applicant will be immediately notified in writing. The applicant, within thirty (30) days of notification, may appeal the decision of the Authority Board of Directors to the Ministry of Natural Resources, Mining and Lands Commissioner who may dismiss or grant the appeal.
